- **H-Index 2021** - 35

JOURNAL'S SUBJECT AREAS AND CATEGORIES (SCOPUS):

- **Engineering (misc)** - Q1
- **Computer Vision and Pattern Recognition** - Q2

SUBJECTS COVERED:

- Diffractive Optics
- Information Optical Technology
- Nanophotonics and Optics of Nanostructures
- Image Analysis & Understanding
- Digital Signal Processing
- Information Coding & Security
- Earth Remote Sensing Technologies
- Hyperspectral Data Analysis
- Numerical Methods for Optics and Image Processing
- Intelligent Video Analysis
